

The all new Tiguan

Effective from 15.03.2024

Impressive. From every angle.

With its sporty and striking design, the all new Tiguan leaves no room for doubt: this is an SUV that is ready for whatever everyday life brings. Its new silhouette is characterised by powerful proportions and dynamic lines. Progressive design highlights such as newly crafted front section with optional IQ.LIGHT HD matrix headlights, the muscular rear section with LED light strip and a selection of new wheel rims underscore its superiority.

Get in and leave everyday life behind

The all new Tiguan welcomes you at a whole new level. And we don't just mean its high-quality interior, but also its multifunction steering wheel with haptic keys, the centre console with new functions, the optional Discover Pro Max navigation system with 15 inch infotainment display and the integrated tablet holder in the centre armrest of the second row of seats.

Drives well and parks itself

Your Volkswagen with optional Park Assist Plus can not only tell you whether a parking space is big enough as you drive by – it also parks for you. But Park Assist Plus can do even more. It can also drive out of a parallel parking space and can help you with a failed parking manoeuvre by completing the process for you. Park Assist can be extended optionally by the memory function. This means you can now also teach your Volkswagen very individual parking manoeuvres

Park Assist Pro not only offers all the advantages of Park Assist Plus, it also allows you to control the process of driving in and out of the parking space from your smartphone. You just need to install the Park Assist Pro app on your smartphone.

New driving experience at the press of a button

Switch from sport to comfort and back in an instant? It couldn't be easier with the driving experience switch in the all new Tiguan. Thanks to the new atmospheres, a touch of a button is all it takes to adapt even multiple settings at the same time – from the right background lighting to music playback to air conditioning.

As if you had just switched your Volkswagen while driving.

Colours define spaces

Depending on the equipment, you can gently illuminate the interior of the all new Tiguan with just a tap of the finger – and choose from up to 30 colours. Multiple light strips and illuminated decorative elements allow you to create a personalised lighting atmosphere.

Expand your horizons

The optional electric tilting and sliding panoramic sunroof is a real eye-catcher. Thanks to its enormous glass surface, it bathes all passengers in more light and offers an unrestricted view of the sky. Its electric roller sunshade provides protection from excessive sunlight. Would you like some fresh air? The front half of the sunroof can optionally be tilted or extends fully backwards.

At a glance. All of the important information.

Being able to check important information while also keeping an eye on the road: this is a major advantage of the optional head-up display. Part of the windscreen becomes a projection surface that can display your speed, messages from your driver assist systems or navigation instructions.

Intuitive calls. Inductive charging.

Drive safely and make phone calls at the same time? The Comfort mobile phone interface gives you everything you need for this: the hands-free system has microphones in the roof console, while the internal speakers ensure high sound quality of the voice output.

The all new Tiguan

¹VRT Bands and rate of Annual Road Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2024 cars produced from CW05/2024 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

²The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

³All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland. €1,725 includes optional Service Plan which can be removed upon request. Maximum delivery charge with Service Plan removed is €1,000.

*Recommended On the Road Price.

Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 15th March 2024. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

3 Years Tyre Insurance covers tyres that are damaged by an Insured Event. Exclusions do apply. For more information on general terms and conditions, please click here (<https://www.volkswagen.ie/en/owners-and-users/wheels-and-tyres.html>)

Tiguan Life

Functional Equipment

- » 12.9" Infotainment Display
- » Navigation system
- » App-Connect Wireless for Apple CarPlay and Android Auto
- » Digital radio reception DAB+
- » IDA voice assistant and Voice Enhancer
- » 2 USB-C ports in the front, 2 USB-C charging sockets on the center console in rear, charging capacity up to 45 W
- » Mobile phone interface "Comfort" with inductive charging feature for 2 smart phones, charging capacity up to 15 W
- » Air Care Climatronic 3 zone automatic climate control w/ allergen filter, enhanced air filter and controls in rear
- » Keyless Start with SAFELOCK
- » Rear view camera system
- » Park Assist Plus with Park Distance Control
- » Front seats with height adjustment
- » Driving experience control including vehicle interior experience "Atmospheres"
- » Driving Mode Selection
- » Electromechanical parking brake with Auto Hold function
- » Headlight range control
- » Adaptive Cruise Control ACC stop & go
- » Diversity antenna for FM reception
- » Instrument cluster with electronic speedometer, odometer and trip odometer, tachometer
- » Luggage compartment floor adjustable in 2 heights
- » Start-stop system with regenerative braking
- » Preparation for VW Connect
- » 12-V outlet in center console in front
- » Electromechanical speed-sensitive power steering
- » Rain sensor
- » Online service, with OCU, with head unit coding, without engine immobilizer interconnection
- » Electric auxiliary air heater

Exterior Equipment

- » 17" 'Bari' Alloy Wheels
- » Wheel locks with extended theft protection
- » Tires 215/65 R17 low rolling resistance
- » LED headlamps (basic)
- » LED rear combination lamps (basic)
- » Automatic headlight control with LED separate daytime running light and entry and exit lighting
- » Rear fog light on one side, back-up light on both sides
- » Body-colored exterior mirror housings
- » Surround lighting with welcome light

- » Exterior mirrors, power-adjustable, folding and heated, with memory feature - aspherical on driver side, convex on front passenger side
- » Illuminated door handle recesses
- » Black roof rails
- » Laminated safety glass windshield, heat-insulating
- » Green heat-insulating glass windows on sides and in rear
- » Body-colored bumpers, air intake with chrome trim 'Life'

Safety

- » Anti-theft alarm system with interior monitoring, backup horn, and towing protection
- » Emergency call service
- » High-beam control Light Assist
- » Front Cross Traffic Assist
- » Predictive speed limiter
- » Multifunction camera (for assistance systems)
- » Dynamic Road Sign Display
- » ISOFIX anchors for child seats on outer rear bench seats and on front passenger seat, compatible for i-Size
- » 3-point seat belts in front with height adjustment and seat belt pretensioners
- » 3-point seat belts with seat belt pretensioners for the outer rear seats
- » Oncoming vehicle braking when turning and swerve support
- » Driver and front passenger airbag with front passenger airbag deactivation
- » Curtain and side airbags in front and rear, center airbag
- » Lane keeping system Lane Assist
- » Lane change system Side Assist, Rear Traffic Alert and exit warning system
- » Auto. Emergency Braking Front Assist with Pedestrian and Cyclist Monitoring (Automatic Emergency Brake)
- » Hill start assist
- » Preparation for alcohol interlock
- » Tool kit
- » Tire Mobility Set: 12-volt compressor and tire sealant
- » Tire Pressure Monitoring System
- » Electronic Stability Control and electromechanical brake booster
- » Shock absorption in front
- » Rear shock absorption
- » With UN-ECE cybersecurity & software update
- » Extended pedestrian protection measures
- » Advanced driver attention & drowsiness monitor
- » Warning signal and warning light for front and rear seat belts not fastened
- » Warning triangle

Interior Equipment

- » Decorative inserts material set "Life"
- » Inserts of front seats and outer rear seats in fabric "Life" 'Grey Melange'
- » 10-color ambient lighting in dashboard
- » Ceramique headliner
- » Leather-wrapped multi-function steering wheel with shifting paddles
- » Asymmetric split fold. rear bench seat+ backrest, longitud. sliding, backrest tilt adjust., with load-through hatch
- » Auto-dimming interior rearview mirror
- » Safety-optimized front head restraints
- » 3 head restraints in rear
- » Pneumatically-adjustable lumbar supports in front
- » 8 speakers
- » Illuminated vanity mirrors in sun visors
- » Center armrest in front
- » Padded center console
- » Multi-color Digital Cockpit Pro, selection of different info profiles possible
- » Storage compartment and 12-V outlet in front
- » 12-V outlet in luggage compartment
- » Comfort seats in front
- » Carpet mats in front and rear

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Tiguan Launch Edition

(in addition to Life)

Exterior Equipment

- » 17" 'Venezia' Alloys
- » Rear Tinted Windows
- » Silver-anodized roof rails
- » LED Plus headlamps
- » 3D LED rear combination lamps
- » Illuminated molding between headlamps and rear lights

Functional Equipment

- » Memory feature for Park Assist
- » Keyless locking and starting system 'Keyless Access' with SAFELOCK
- » Easy Open Package - sensor controlled luggage compartment opening and delayed electric closing, with remote unlocking
- » Dynamic headlight range control with dynamic cornering light
- » Cornering light and poor weather light

Interior Equipment

- » 10-color ambient lighting in dashboard and doors

Tiguan Elegance

(in addition to Life)

Exterior Equipment

- » 18" 'Napoli' Alloys
- » AirStop® tires 235/55 R18, low rolling resistance
- » Rear Tinted Windows
- » Silver-anodized roof rails
- » LED Plus headlamps
- » 3D LED rear combination lamps
- » Illuminated molding between headlamps and rear lights
- » Body-colored bumpers, air intake with chrome trims 'Elegance'
- » Chrome trims on the side windows

Interior Equipment

- » 30-color ambient lighting in dashboard and doors, illuminated decorative inserts in front
- » Decorative inserts material set "Elegance", illuminated
- » Power mirror and window regulator switches with elements in chrome appearance
- » Front seats with massage feature
- » Leather-wrapped multi-function steering wheel, heated, with shift paddles
- » Padded center console
- » Inserts of front seats and outer rear seats in ArtVelours Eco microfleece
- » Driver seat with adjustment of seat travel, height, seat a/ backrest angle, thigh support longitudinally sliding
- » Heated front seats
- » Door and side trim panel in foam film, insert in leatherette
- » Sports comfort seats in front

Functional Equipment

- » Automatically-heated washer nozzles in front
- » Front scuff plates in aluminum
- » Keyless locking and starting system 'Keyless Access' with SAFELOCK
- » Easy Open Package - sensor controlled luggage compartment opening and delayed electric closing, with remote unlocking
- » Dynamic headlight range control with dynamic cornering light
- » Cornering light and poor weather light

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Tiguan R Line

(in addition to Life)

Exterior Equipment

- » 19" 'Coventry' Alloys
- » AirStop® tires 255/45 R19, low rolling resistance
- » Rear Tinted Windows
- » Silver-anodized roof rails
- » LED Plus headlamps
- » 3D LED rear combination lamps
- » Illuminated molding between headlamps and rear lights
- » Bumpers in sports style, air intake with chrome trim 'R Line'
- » Chrome trims on the side windows

Interior Equipment

- » 30-color ambient lighting in dashboard and doors, illuminated decorative inserts in front
- » Decorative inserts material set "R Line", illuminated
- » Front head restraints integrated into the seat (R Line)
- » Black Headliner
- » Power mirror and window regulator switches with elements in chrome appearance
- » Front seats with massage feature
- » Leather-wrapped multi-function steering wheel, heated, with shift paddles
- » Inserts of front seats and outer rear seats in fabric 'R Line'
- » Heated front seats
- » Door and side trim panel in foam film, insert in leatherette
- » Sports comfort seats in front

Functional Equipment

- » Automatically-heated washer nozzles in front
- » Front scuff plates in aluminum
- » Dynamic headlight range control with dynamic cornering light
- » Cornering light and poor weather light

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Options

The addition of optional extras may result in the vehicle increasing in Co2 g/km and therefore, attracting a higher rate of VRT than described in this product guide. For your exact configuration value, both Co2 g/km and RRP, please visit volkswagen.ie configurator.
